**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose this petition. I am very happy with my small provider (Sonic) and believe that broadband competition benefits everyone by lowering costs and improving service. The local "big box" broadband provider (ATT) has horrible customer service and charges significantly more for less reliable access. Please preserve and expand the competition options for broadband service.

Regards,
